Online components

June 1-19, 2026 (TBC)

Co-funded by the
Erasmus+ Programme
of the European Union

European
University for
Well-Being

Programme

WHY THIS PROGRAMME?

As China is reshaping global political, economic and social balances, this Blended Intensive Programme offers participants the analytical tools needed to understand China's domestic transformations and its growing global influence. Through an interdisciplinary and international approach, the programme combines theoretical courses, practical workshops, film discussions and in-person cultural visits, providing a comprehensive and hands-on understanding of China's evolving role in world affairs.

PROGRAMME FORMAT

Blended learning: online + on-campus in Paris

- Online component: May–June 2026 ~6 hours of online lectures
- On-site component at Inalco (Paris): 8–12 June 2026 (5 days)
